GRIFFIN
Serial No. 10/784,858
Filed: FEBRUARY 23, 2004

Amendments to the Drawings:

The attached sheet of drawing includes changes to Fig. 5. Specifically, Fig. 5 has been amended to correct an inadvertent error in the arrow on the control line signal from DSP (1580) to the transmitter (1520). The control arrow was corrected to match the signal arrow. This sheet which include Fig. 4, replace the original sheet 4/4.
